Dear Sir/ Madam,

**'Doubling Farmers' Income by 2022' - Measures**

- Investments in warehousing and cold chains to prevent post-harvest crop losses
- Promotion of value addition through food processing
- Creation of a national farm market, removing distortions and develop infrastructure such as e-platform across 585 stations
- Strengthening of crop insurance scheme to mitigate risks at affordable cost
- Promotion of ancillary activities like poultry, bee-keeping and fisheries.

3. Needless to emphasize that acceleration in income generation is significantly dependent on better capital formation in agriculture. Towards this, banks should revisit

4. The Lead Bank Scheme through its various forums monitors and reviews the performance of banking developments in the State/district/block with special reference to Annual Credit Plans, Government Sponsored Programs, flow of credit to priority sector, etc. for enhancing the flow of bank finance particularly to the rural areas. The Scheme, which ensures inter-departmental/governmental coordination in financial sector, should therefore be leveraged to further the objective of doubling farmer's income by 2022. Lead banks are accordingly advised to ensure the following:

- a) Work closely with NABARD in preparation of Potential Linked Plans (PLPs) & Annual Credit Plans keeping the above strategy in consideration.
- b) Include 'Doubling of Farmer's Income by 2022' as a regular agenda under Lead Bank Scheme in various forums such as SLBC, DCC, DLRC and BLBC.
- c) For the purpose of monitoring and reviewing the progress, Lead banks may use the benchmarks as may be provided by NABARD.
- d) Map the overall strategy as given in para (2) above to the agriculture/agro-ancillary lending plan of your bank.

Yours faithfully,

### Guidelines for Stand up India Scheme

The objective of the Stand Up India scheme is to facilitate bank loans between Rs. 10 lakh and Rs. 1 Crore to at least one Scheduled Caste (SC) or Scheduled Tribe (ST) borrower and at least one woman borrower per bank branch for setting up a greenfield enterprise. This enterprise may be in manufacturing, services or the trading sector. In case of non-individual enterprises at least 51% of the shareholding and controlling stake should be held by either an SC/ST or Woman entrepreneur.

2. The Stand Up India scheme is based on recognition of the challenges faced by SC, ST and women entrepreneurs in setting up enterprises, obtaining loans and other support needed from time to time for succeeding in business. The scheme therefore endeavours to create an eco system which facilitates and continues to provide a supportive environment for doing business. The scheme, which covers all branches of Scheduled Commercial Banks, will be accessed in three potential ways:
  - o Directly at the branch or
  - o Through SIDBI's Stand Up India portal or
  - o Through the Lead District Manager ((LDM)
3. The portal will be the crucial interface layer for parameters/ metrics of the borrower (obtained through a set of about 8-10 questions listed below) and will provide information and feedback to such borrowers. A potential borrower will have the option of registering on the portal right away or simply visiting it and registering later. This portal may be accessed at home, at Common Service Centres (CSCs), through a bank branch (through the nodal officer for MUDRA at the branch) or through the LDM. In branches where internet access is restricted , the branch will guide the potential borrower to an internet access point till such time that the Stand Up portal is integrated with the Core Banking Solution (CBS) at the branch concerned

4. The approach of the Stand Up India portal, for handholding is based on obtaining answers to a set of relevant questions at the initial stage. These would be typically be:
- 1) Location of the borrower
  - 2) Category – SC/ ST/ Woman
  - 3) Nature of business planned
  - 4) Availability of place to operate the business.
  - 5) Assistance needed for preparing a project plan
  - 6) Requirement of skills/training (technical and financial).
  - 7) Details of present bank account.
  - 8) Amount of own investment into the project
  - 9) Whether help is needed to raise margin money
  - 10) Any previous experience in business

Based on the response, the portal provides relevant feedback and helps categorise the visitor to the portal as a **Ready Borrower** or a **Trainee Borrower**. Indicative process chart is given in Annexure.

#### **Ready Borrower**

5. In case the borrower requires no handholding support, then registration on the portal as a **Ready Borrower** starts the process of application for the loan at the selected bank. At this stage an application number will be generated and information about the borrower shared with the bank concerned, the LDM (posted in each district) and the relevant linked office of NABARD/ SIDBI. The offices of SIDBI and NABARD shall be designated Stand Up Connect Centres (SUCC). The loan application will now be generated and tracked through the portal.

#### **Trainee Borrower**

- 5.1 In cases where the borrower indicates a need for handholding, then registration as a **Trainee Borrower** on the portal will link the borrower to the LDM of the concerned district and the relevant office of SIDBI/ NABARD. This

process which would be electronic; could be done at the borrower's home by himself/ herself or at a CSC or through a bank branch by the officer dealing with MUDRA, as explained in paragraph 2.

5.2 SIDBI (84 offices) and NABARD (419 offices) as Stand Up India Connect Centres will then arrange for support for such trainee borrowers as requested in any of the following ways:

- a. For financial training – at the Financial Literacy Centres (FLCs)
- b. For skilling – at skilling centres ( Vocational Training Centres - VTPs/ Other Centres -OCs)
- c. For EDPs – at MSME Dis/ District Industries Centres (DICs)/ Rural Self Employment Training Institutes (RSETIs)
- d. For work shed – DICs
- e. For margin money – offices related to margin money support schemes e.g. State SC Finance Corporation, Women's Development Corporation, State Khadi & Village Industries Board (KVIB), MSME-DIs etc.
- f. For mentoring support from established entrepreneurs – DICCI, Women Entrepreneur Associations, Trade bodies. Credible, well established NGOs can also be used for extending hand holding support.
- g. For utility connections – Offices of utility providers
- h. For DPRs – Project profiles available with SIDBI/ NABARD/ DICs

At any time, even after the loan has been sanctioned, any borrower may access the services of the Stand Up Connect Centres.

5.3 The LDM will monitor the process and work with local offices of SIDBI and NABARD for problem solving and easing bottlenecks. Based on the progress being achieved in each case and prima facie viability, the LDM will sensitise the concerned bank branch on potential cases likely to come up. Once this is done, SIDBI/ NABARD will meet concerned bank officials for further follow up. These organisations will also work with other organisations who are stakeholders such as the Dalit Indian Chambers of Commerce and Industry (DICCI), Women's Entrepreneur Associations etc.

- 5.4 Once hand holding requirements are adequately met to the satisfaction of the LDM and the trainee borrower, then a loan application will be generated through the portal.

#### **Stand Up India Portal**

6. The Stand Up India Portal is interactive. It hosts information about various entities providing handholding support to the borrower. This includes:
- Training : Technical or/ and Financial
  - DPR preparation
  - Margin money support
  - Shed / workplace identification
  - Raw material sourcing
  - Bill discounting
  - E-com registration
  - Registration for taxation
7. The Portal is designed to obtain application forms, gather and provide information, enable registration, provides links for handholding, assists in tracking and monitoring. As more facilities become available it shall be further refined into an end to end solution.
8. The Stand Up India scheme endeavours to create an eco system to make borrowers ready. This system is now meant for supporting Stand Up Borrowers but will be extended in due course to other schemes.

#### **Nature of Loan**

9. The loan shall be a Composite Loan i.e. to meet requirements of assets such as plant and machinery and working capital. It is expected to cover 75 % of project cost and the rate of interest would be lowest applicable rate of the bank for that category (rating) not to exceed (base rate (MCLR) + 3%+ tenor premium). It shall be repayable in up to 7 years with a moratorium of up to 18 months. A Rupay card will be issued to enable operation of the working capital component. (The stipulation of the loan being expected to cover 75% of the project cost would not

apply if the borrowers contribution along with convergence support from any other scheme exceeds 25% of the project cost)

#### **Credit Guarantee/ Collateral**

10. The scheme for Credit Guarantee for loans under Stand Up India has been notified ([www.ncgfc.in](http://www.ncgfc.in)). The norms in this respect are aligned with existing CGTMSE norms.

#### **Margin Money**

11. The Scheme envisages 25% margin money which can be provided in convergence with eligible Central / State schemes. While such schemes can be drawn upon for availing admissible subsidies or for meeting margin money requirements, in all cases, the borrower shall be required to bring in minimum of 10% of the project cost as own contribution. To illustrate, if a State scheme supports a borrower with 20% of the project cost as subsidy, then the borrower will be required to contribute at least 10% of the project cost. Any subsidy received by a unit which was not foreseen during loan appraisal will be credited to the loan account. In cases where a subsidy was included during appraisal but received after commissioning, the same may be released to the borrower to repay any loan taken for arranging margin money. A list of Central / State wise subsidy/incentive schemes will be provided on the Portal. New schemes will be added as they become available.

#### **District Level Credit Committee**

12. The District Level Credit Committee (DLCC) under the Collector with the LDM as Convenor shall periodically review cases of both types of borrowers, meeting at least once each quarter. SIDBI and NABARD officers will join the review meetings.

#### **Assistance after loan disbursement**

13. Events will be organised at District level, as frequently as necessary and at least once in each quarter, involving stakeholders to share best practices, review, problem solving and guide potential entrepreneurs. These events will also provide

means for facilitating registration for bill discounting services, e-market places, taxation etc. NABARD will organise these events with the support of SIDBI.

### **Grievance Redressal**

14. Provision has been made in the portal for redressal of grievances of the borrower. The portal provides contact details of the officers/agencies in each bank designated to attend to grievances. A system for online submission of complaints and their subsequent tracking through the portal shall be developed. Feedback on disposal of the complaint is to be made available to the customer by the bank concerned.
15. Banks may determine requirements such as stock statements, insurance of assets created & reasonable processing fees.
